

ISSUE BRIEF

House Bill 3575: Conservation Police Officers

IMRF Position:
NEUTRAL

Sponsor:
Representative Rita Mayfield

Proposed Change in the Law

In the provision applicable to IMRF, it removes a reference to conservation police officers participating with SERS who are eligible to transfer IMRF service credit to SERS.

The main provisions of the bill abolish some state agency police forces and transfer those operations to the Illinois State Police.

Reasons for Position

The bill would have no substantive effect on IMRF. The transfer language in the IMRF statute is a permanent provision and all changes to the dates and eligible members are in the SERS statute. This would merely remove one SERS member job title from the list of those potentially eligible to transfer service credit in the future.
