I acknowledge receipt of a current copy of the IMRF Diversity Procurement Policy ("Policy"). I understand that IMRF will typically award a bid to the lowest cost bidder. However, in order to meet the goals set forth in the Policy, a bid may be awarded to a vendor, other than the low bidder.

I certify that I have completed the IMRF Diversity Business Verification Form and I have attached a completed copy of said form to this bid.

I further understand and acknowledge that a fraudulent certification as to MWDBE status shall: 1) constitute grounds for the immediate termination of any bid award; 2) prohibit my participation in any further IMRF Invitation for Bids; and 3) may result in criminal prosecution to the fullest extent permitted by state and/or federal law.

Finally, I understand that, upon acceptance of this offer by the IMRF Board of Trustees, this offer and related documentation, and the request for bid shall become a binding contract. I agree that any negligence on my part in preparing this bid confers no right to withdraw the offer after it has been accepted by the IMRF Board of Trustees.

# Exhibit A Terms and Conditions

#### RFP/ BID

IMRF's Request for Proposal (RFP), Invitation for Bids, or any similar document soliciting contractors for the work set forth herein, and Contractor's response thereto, are hereby incorporated by reference into this Agreement as though fully set forth herein. To the extent that there are any conflicts between the RFP or bid document and this Agreement, this Agreement shall prevail.

#### Code of Conduct

Contractor will comply with all applicable provisions of the IMRF Code of Conduct, a copy of which can be found at www.imrf.org/vendor-code-conduct

#### Termination of Contract

This Agreement may be terminated at any time by the mutual consent of IMRF and Contractor. Either party may, without the consent of the other party, terminate this Agreement upon 60 days' prior written notice to the other party. Upon early termination, Contractor shall be entitled to payment for satisfactory supplies, equipment and/or services provided as of the date of receipt of notice of termination and with adequate documentation.

#### Successors and Assigns

The terms of this Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns; provided, however, that neither party will assign this Agreement in whole or in part without the prior written approval of the other.

#### Amendment

Amendments to this Agreement must be made in writing and signed by all parties. If an amendment causes an increase in the Contractor's costs or in the time required for performance, the Agreement may be modified accordingly. Nothing in this clause shall excuse the Contractor from performing.

#### Severability

If any provisions of this Agreement are held to contravene or be invalid under the laws of any state or jurisdiction, contravention will not invalidate the entire Agreement, but it will be construed as if not containing the invalid provision and the rights or obligations of the parties will be construed and enforced accordingly.

#### Standard of Care

Services performed by Contractor under this Agreement will be conducted in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions. If the Contractor fails to meet the foregoing standard, Contractor will perform at its own cost, and without reimbursement from IMRF, the professional services necessary to correct errors and omissions caused by Contractor's failure to comply with the above standard and reported to Contractor within one (1) year from the completion of Contractor's services under this Agreement.

#### Unavoidable Delay

If the Contractor is delayed in the delivery of goods or services purchased under this Agreement by a cause beyond its control, the Contractor must, as soon as it knows of the delay, give written notice to IMRF and request an extension of time for performance. IMRF shall examine the request and determine if such an extension is to be granted. IMRF is under no obligation to grant such an extension.

#### Performance

Contractor agrees that IMRF shall be the sole judge as to whether work performed under this Agreement has been satisfactory. Any goods furnished shall be received subject to IMRF's inspection and right of rejection.

#### Relationship between IMRF and the Contractor

Contractor is an independent contractor in the performance of this Agreement, and is not an agent, employee, partner, or in joint venture with IMRF.

#### Warranties

In addition to all warranties provided by law, Contractor warrants that the services, supplies and/or equipment furnished under this Agreement: (i) will conform to drawings, plans, specifications, samples or other descriptions furnished, specified, accepted, or approved by IMRF including but not limited to all specifications attached as exhibits to this Agreement; (ii) will be merchantable, of good quality in manufacture and workmanship, free from defects for a period of twelve months or longer if specified in writing, and fit and sufficient for the intended use; (iii) will comply with all federal and state laws, regulations, and ordinances pertaining to the manufacturing, packing, labeling, sale and delivery of such goods; (iv) will be of good title and be free and clear of all liens and encumbrances: and (v) will not infringe any patent, copyright, or other intellectual or proprietary rights of any third party. Contractor agrees to reimburse IMRF for any losses, costs, damages, or expenses, including without limitation, reasonable attorney fees and expenses, arising from failure of such goods to meet such warranties. These warranties shall be in addition to all other warranties, express, implied, or statutory, shall survive IMRF's payment, acceptance, inspection, or failure to inspect such goods.

#### Waiver

Except as specifically waived in writing, failure by either party to exercise or enforce a right or obligation under this

Agreement shall not affect any subsequent ability to exercise or enforce a right or obligation and will not be construed to be a waiver of any provision except for the particular instance.

#### Confidential Data and Information

Contractor, including its personnel, agents, and subcontractors, may have access to, collect, or receive confidential data, member records, or other information owned or maintained by IMRF in the course of carrying out its responsibilities under this Agreement. IMRF hereby designates all information received or accessed pursuant to this Agreement as confidential unless otherwise stated in writing. Contractor shall not unnecessarily communicate such data or information within Contractor's operations. No such data or information shall be disclosed or disseminated except as authorized by law and with the written consent of IMRF, either during the period of this Agreement or thereafter. Contractor must return all such data and information, in whatever form it is maintained, promptly at the end of the Agreement or earlier at the request of IMRF, or shall notify IMRF in writing of its destruction.

#### Security Breach Procedures

For purposes of this contract, "Security Breach" means any act or omission that compromises either the security, confidentiality, availability, or integrity of personal data or the physical, technical, administrative or organizational safeguards put in place by Contractor that relate to the protection of the security, confidentiality, or integrity of personal data. Without limiting the foregoing, a compromise shall include any unauthorized access to or disclosure or acquisition of personal data.

Contractor shall notify IMRF of a Security Breach as soon as practicable, but not later than twenty-four (24) hours after Contract has become aware of it. Contractor shall notify IMRF of any Security Breaches by telephone and email to Contractor's primary business contact with IMRF. Immediately following Contractor's notification to IMRF of a Security Breach, the parties shall coordinate with each other to investigate the Security Breach.

IMRF may agree to arbitration or other alternative dispute resolution at its sole discretion.

#### Indemnity and Hold Harmless Agreement

To the fullest extent permitted by law, the Contractor shall indemnify, keep and save harmless IMRF and its

trustees, agents, and employees against all losses, damages, claims, suits, liabilities, judgments, costs and expenses arising out of (a) any breach or violation by Contractor of any of its representations, warranties, covenants, or agreements set forth herein, (b) any actual or alleged death or injury to any person, damage to any property, or any other damage or loss by whomsoever suffered, claimed to have resulted in whole or in part from performance hereunder, (c) any act, activity, or omission of Contractor or any of its employees.

This Agreement shall not be construed as requiring the Contractor to indemnify IMRF for IMRF's own negligence.

Nondiscrimination / Equal Employment Opportunity Contractor will comply with applicable provisions of the State and Federal constitutions, laws, and regulations pertaining to unlawful discrimination, harassment, and equal employment opportunity, including but not limited to the U.S. Civil Rights Act, Section 504 of the Federal Rehabilitation Act, the Americans with Disabilities Act, and the Illinois Human Rights Act. 42 USC 12101 et seq., 775 ILCS 5, 775 ILCS 10.

#### **Employment of IMRF Employees**

Contractor agrees to notify IMRF if it solicits or intends to solicit for employment any of the employees of IMRF during the term of the Agreement.

#### Insurance

Contractor shall, at its sole cost and expense, procure and maintain in full force and effect during the term of this Agreement, a Certificate of Insurance naming IMRF an additional insured for all required bonds and insurance. Certificates may not be modified or canceled until at least 30 days' notice has been provided to IMRF. Contractor shall provide in the following minimum amounts: (a) General Commercial Liability-occurrence form in the amount of \$1,000,000 per occurrence (Combined Single Limit Bodily Injury and Property Damage) and \$2,000,000 Annual Aggregate; (b) Auto Liability, including Hired Auto and Nonowned Auto, in the amount of \$1,000,000 per occurrence (Combined Single Limit Bodily Injury and Property Damage); and (c) Worker's Compensation Insurance in the amount required by law. Insurance shall not limit Contractor's obligation to indemnify, defend, or settle any claims. Contracts that include contractor- provided delivery to IMRF's Oak Book office require a separate certificate of insurance for the building. IMRF will provide the necessary information.

#### **Payment Procedures**

Contractor shall accept electronic payments by credit card and/or Automated Clearing House (ACH) payments. IMRF will comply with the Local Government Prompt Payment Act, 50 ILCS 505/1 et seq., in that any bill approved for payment must be paid or the payment issued to the Contractor within 60 days of receipt of a proper bill or invoice. If payment is not issued to the Contractor within this 60 day period, an interest penalty of 1.0% of any amount approved and unpaid shall be added for each month or fraction thereof after the end of this 60 day period, until final payment is made.

- (10) "Business concern or business" means a business that has annual gross sales of less than \$75,000,000 as evidenced by the federal income tax return of the business. A firm with gross sales in excess of this cap may apply to the Council for certification for a particular contract if the firm can demonstrate that the contract would have significant impact on businesses owned by minorities, women, or persons with disabilities as suppliers or subcontractors or in employment of minorities, women, or persons with disabilities.
- (B) When a business concern is owned at least 51% by any combination of minority persons, women, or persons with disabilities, even though none of the 3 classes alone holds at least a 51% interest, the ownership requirement for purposes of this Act is considered to be met. The certification category for the business is that of the class holding the largest ownership interest in the business. If 2 or more classes have equal ownership interests, the certification category shall be determined by the business concern.
