

**Homepage slider/carousel** – We can choose an order for an unlimited number of images and text that can rotate on the homepage. This is used to promote events, news and other announcements.

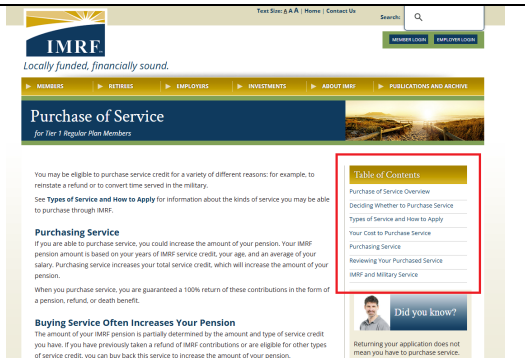

**Recent News, Press Release, Investment News** pages auto populate when a news item is created and a box is checked for this page.

**Pop-up** – Functionality that allows a box to appear on the page. We can add the pop-up to any web page and edit all areas including title, text, links and image.

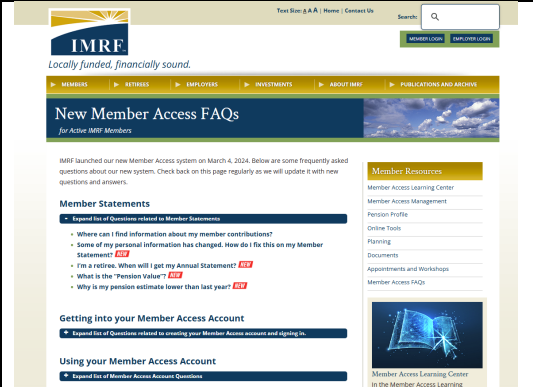

**Table of Contents Feature** – This is a widget that can be added to the right side of the page. You can change the title and the links.

**Member and Employer Learning Centers** – High traffic pages containing pdfs, pptx and videos in table format. Also includes sidebar functionality with links that act as a table of contents for each Learning Center.

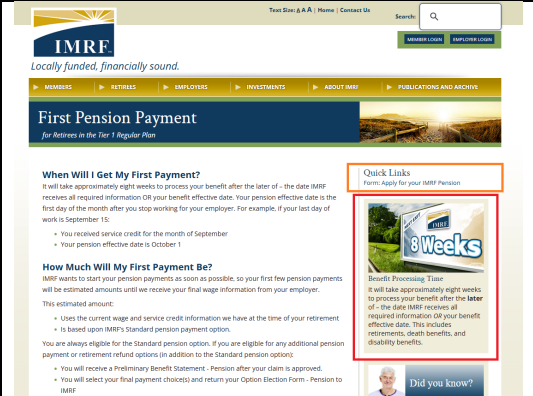

Our **FAQ** pages use an accordion to expand or collapse content.

**Promos** – Boxes on the right side used for tips or to promote other pages (red)

**Quick Links** – Links displayed on the right side of the page. (orange)

**Tables** to display calendars, plan information, etc.

**Board Resolutions** – The content item is shared by COMPASS and imrf.org. It is part of a workflow that is approved and published by our legal department. More details are shared on COMPASS including date published and status notes.

The screenshot shows the IMRF website interface. At the top, there is a navigation bar with the IMRF logo and the tagline "Locally funded, financially sound." Below the navigation bar, there is a search bar and a menu with options: MEMBERS, RETIREES, EMPLOYERS, INVESTMENTS, ABOUT IMRF, and PUBLICATIONS AND ARCHIVE. The main content area displays the title "Board Resolution 2022-08-08" with a background image of a meeting room. Below the title, there is a table with the following information:

Topic:	Accelerated Payments
Subtopic:	Accelerated payments for compensation increases of 6% or more
Date:	8/19/2022
Status:	Active

Below the table, there is a paragraph of text starting with "WHEREAS, section 7-198 of the Illinois Pension Code authorizes the Board of Trustees of the Illinois Municipal Retirement Fund to establish rules necessary or desirable for the efficient administration of the Fund, and". This is followed by another paragraph starting with "WHEREAS, section 7-172(h) of the Pension Code provides for the Accelerated Payment of pension costs attributable to earnings increases over the previous year, paid during the Final Rate of Earnings period, of more than the higher of 6% or 1.5 times the CPI-U, and". The text continues with "WHEREAS, it is necessary to adopt rules for the efficient administration of section 7-172(h), THEREFORE BE IT RESOLVED that the following administrative rules be and are hereby adopted by the Board of Trustees:".

- A. The employer contribution required under section 7-172(h) ("Accelerated Payment") shall be determined as follows:
  1. Member has only one employer during the Final Rate of Earnings ("FRE") period:
    - a. Calculate the member's retirement annuity using earnings as reported and determine its present value.
