Dear Ms. Bermes

The attached is a copy of Village of Fairmont City Ordinance 583 adopting participation in the IMRF, adopted Wednesday, March 21st, 2001. The original is being mailed to your office. rec'd

I have contacted Jean Parson. We have set up a tentative meeting for Thursday, April 5, 2001 here in Fairmont City.

The board did not adopt a resolution defining participation for elected and appointed officials at the March 21st meeting. This issue still needs to be addressed. 6.64

Abe Aleman (Treasurer) is investigating the current pension plans and what options are available within that plan.

Jean said she would be contacting you on Monday. If there is anything else I need to do or further information required before my meeting with Ms. Parson, you could contact me at 618-875-1085.

1. Resolution for application to participate in the Illinois Municipal Retirement Fund (IMRF) A motion to approve the resolution to apply for participation in the IMRF was made by Rick Martin. Rick Martin read the resolution aloud:

A RESOLUTION FOR APPLICATION TO PARTICIPATE IN THE ILLINOIS MUNICIPAL RETIREMENT FUND BY TOWN ELECTORS

WHEREAS, Section 7.132.1 of the Illinois Pension Code provides that participation by a town, as therein defined, in the Illinois Municipal Retirement Fund shall be initiated by an application to participate authorized by the town electors by a resolution adopted at the annual town meeting; and

WHEREAS, participation affected by the town shall include, for the sole purpose of participation and coverage of employees, the town itself and all other bodies politic heretofore or hereafter established by or subject to the direct or indirect control of the town electors;

RESOLVED, that the electors of the Town of Plainfield, County of Will, assembled at the annual town meeting, hereby authorize and direct the town supervisor to file with the board of trustees of the Illinois Municipal Retirement Fund an application to participate in said Fund;

FURTHER RESOLVED, that for the purposes of the application and participation in the Fund, offices and positions normally requiring performance of duty for 1000 hours per year are established as the standard of participation in the Fund;

FURTHER RESOLVED, that the town supervisor is hereby authorized and directed to file promptly with the board of trustees of the Fund an application for the town, as hereafter defined, to participate in said Fund and to supply such data as is requested by the board and to reimburse the Board for expenses incurred in securing an actuarial evaluation of the effects of participation by this Town on the financial condition of the Fund;

FURTHER RESOLVED, that the application on behalf of the town shall include the town itself and all other bodies politic heretofore or hereafter established by or subject to the direct or indirect control of the town electors;

FURTHER RESOLVED, that the consideration of the matter of election to participate in the Illinois Municipal Retirement Fund shall be postponed to a special town meeting which shall be called by the board of town trustees, after receipt of an approved application by the board of trustees of the Illinois Municipal Retirement Fund, at a date not earlier than thirty days after the notice of such called meeting is public, which notice of call shall state the purpose and include the report of the board of trustees of the costs of participation and the initial employer contribution rate.

The moderator asked if there was a second to the motion. Susan Welch seconded the motion. The moderator entertained a discussion and asked that recognition be sought prior to speaking. Ray Barnes asked if Park District employees would be covered. Rick Martin stated all employees under jurisdiction of the township who work more than 1000 hours per year would be eligible. Park District employees are not under the jurisdiction of the township and therefore would not be eligible. Beth May asked if the hours of eligibility could be lowered. Rick Martin stated that IMRF officials have recommended 1000 hours at the start of the program but that it could be revisited in subsequent years and lowered to 600 hours per year if deemed prudent at that time. The actuarial study will cost approximately $400.00. The moderator asked the clerk to take a roll call vote to approve the IMRF resolution as read by Mr. Martin. A roll call vote was taken.

Re: Notice of Approval of Application and Report of Cost of Participation in IMRF

Dear Mr. Ehrle:

The IMRF Board of Trustees approved the application of Old Ripley Township, Bond County, Illinois, to participate in the Illinois Municipal Retirement Fund. Participation will include the town itself, the township and road district and all other political bodies currently in existence or that may be established in the future directly or indirectly by the town electors.

1. Employer IMRF Contribution Rate

In order to fund benefits for your employees, you are required to make a monthly contribution to IMRF. The amount is calculated by multiplying the payroll for all IMRF participating employees by an employer contribution rate. Your contribution rate for calendar year 2019 will be 9.43 %.

The rate for future years will be revised annually. It may be more or less than the 2019 rate. Changes in contribution rates can be caused by retirements, deaths, terminations, and changes to the IMRF plan.

Your report to us showed a participating payroll of $85,000. Therefore, your employer contribution for a 12-month period will total about $8,016 (approximately $668 per month). Employee contributions are in addition to this amount. This rate includes the cost for:

- Retirement pensions for the current period of service;
- Surviving spouse pensions;
- Death benefit coverage for survivors of employees who die before they retire;
- Disability benefits;
- Supplemental benefit payments made annually to retirees.
- Funding the prior service credit

If in the future you have no active members, a minimum rate will be calculated for you.

Mark Thompson nominated John W. Maitland, Jr. Linda Robb moved that nominations be closed and Mr. Maitland elected unanimously, Merle Martens seconded. Motion carried. Mr. Maitland was sworn in and called for last year's meeting minutes. Marvin Kaufman moved they be accepted as read, seconded by Merle Martens and carried. The supervisor's printed reports had been handed to all. Marvin Kaufman moved to accept them seconded by Albert Ehlers and carried.

An unusually good crowd was present because of the threat of a gravel pit in the township. Many questions were asked and discussed. Much concern was expressed about wells and highway conditions. Donald W. Thompson read a resolution:

RESOLUTION

We, residents of Dale Township oppose a gravel pit because;
Pit travel will interfere with fire calls and rescue runs,
Loss of tax base and revenue,
Traffic hazards make roads unsafe,
Air pollution by dust and noise,
Rocks will cause broken windows and paint chips,
Loss of 3.5% of farm land in this township-Dale,
Increased traffic hazard for bicyclists- Pollution of wells.

Gene Irwin moved to adopt the resolution, Bob Grampp seconded and carried.

Discussion on a retirement fund for township board members brought a motion by Merle Martens to hire an attorney to set up such a fund. To that end, the following Resolution is incorporated into these minutes:

A RESOLUTION FOR APPLICATION TO PARTICIPATE IN THE ILLINOIS MUNICIPAL RETIREMENT FUND BY TOWN ELECTORS

WHEREAS, Section 7-132.1 of the Illinois Pension Code provides that participation by a town, as therein defined, in the Illinois Municipal Retirement Fund shall be initiated by an application to participate authorized by the town electors by a resolution adopted at the annual town meeting; and

WHEREAS, participation effected by the town shall include, for the sole purpose of participation and coverage of employees, the town itself and all other bodies politic heretofore or hereafter established by or subject to the direct or indirect control of the town electors;

RESOLVED, that the Township of Dale, County of McLean, assembled at the annual town meeting, hereby authorize and direct

the town supervisor to file with the board of trustees of the Illinois Municipal Retirement Fund an application to participate in said Fund;

FURTHER RESOLVED, that for the purposes of the application and participation in the Fund, offices and positions normally requiring performance of duty for 600 hours per year are established as the standard of participation in the Fund;

FURTHER RESOLVED, that the town supervisor is hereby authorized and directed to file promptly with the board of trustees of the Fund an application for the town, as hereafter defined, to participate in said Fund and to supply such data as is requested by the board and to reimburse the Board for expenses incurred in securing an actuarial evaluation of the effects of participation by this Town on the financial condition of the Fund;

FURTHER RESOLVED, that the application on behalf of the town shall include the town itself and all other bodies politic heretofore or hereafter established by or subject to the direct or indirect control of the town electors;

FURTHER RESOLVED, that the consideration of the matter of election to participate in the Illinois Municipal Retirement Fund shall be postponed to a special town meeting which shall be called by the board of town trustees, after receipt of an approved application by the board of trustees of the Illinois Municipal Retirement Fund, at a date not earlier than 30 days after the notice of such called meeting is public, which notice of call shall state the purpose and include the report of the board of trustees of the costs of participation and the initial employer contribution rate.

Gene Irwin seconded and motion carried. Since the township has no planning commission, it was suggested the supervisor form a committee.

Marvin Kaufman moved next year's meeting begin at 7:30, seconded by Albert Ehlers and carried. Albert Ehlers moved to adjourn, seconded by Gene Irwin and carried.

She further added that this participation should be retroactive to May 1, 1997.

This was seconded by Arnold Petersen.

Discussion followed with Warren Chamberlain explaining how he understands that this resolution would work. IMRF makes a cost study at a cost to the Township of $300.00 plus $25.00 for each employee. Township would have to pay 7 1/2 % on all back wages. Employees working 1000 hours would have to participate. The Road Commissioner could elect whether he wanted to participate. Road commissioner and any employees working 1000 hours or more would have to pay 4 1/2 %.

If township would start on Jan. 2001, Zach would have approximately 45 months. Mervin and Zach will have to pay 4 1/2% An inspection of the township books would take place by IMRF for the past 6 years to see if the township can afford it. If township is eligible, a special town meeting will be called and IMRF will be voted on by the electors. If accepted, the township cannot terminate IMRF. If it is approved, IMRF will tell

ORDINANCE 04-39

ELECTING PARTICIPATION IN THE ILLINOIS MUNICIPAL RETIREMENT FUND

WHEREAS, the Village of Morton Grove (VILLAGE), located in Cook County, Illinois, is a home rule unit of government under the provisions of Article 7 of the 1970 Constitution of the State of Illinois, can exercise any power and perform any function pertaining to its government affairs, including but not limited to the power to tax and incur debt; and

WHEREAS, the Village currently has established the Village of Morton Grove Retirement Plan (Current Pension Plan) for the benefit of its non-sworn eligible civilian employees funded with a group annuity deposit administration contract dated December 21, 1965, effective January 1, 1966; and

WHEREAS, the pension plan was previously amended effective January 1, 1981, January 1, 1991, June 21, 1991, September 27, 1994, and February 25, 2002; and

WHEREAS, the Village of Morton Grove is one of the few municipalities within the State of Illinois that does not currently participate in the Illinois Municipal Retirement Fund (IMRF) for its non-sworn civilian employees; and

WHEREAS, the Village Board of Trustees and the Village Administration has determined it would be beneficial for the Village to participate in IMRF for the following reasons:

A. To be competitive and consistent with pension benefits offered by other municipalities throughout the State of Illinois.

B. To streamline the administration of pension benefits, therefore saving staff and consultants' time and expenses.

C. To provide portable pension benefits for current and prospective employees therefore assisting the Village in attracting and retaining excellent employees.

D. To provide other additional benefits to Village employees not currently available through its pension plan.

WHEREAS, the Village Board of Trustees recognizes the current Village employees have unique benefits under the Current Pension Plan which are not offered by IMRF including the right to receive all pension benefits upon retirement in a lump sum, and as a result, the Village is sensitive that some current employees may not want to transfer their current pension benefits to the IMRF system; and

WHEREAS, the Village has long recognized that while desirable, it would be cost prohibitive to transfer all of its current employees into the IMRF pension system, unless it was able to restrict the transfer of its current employees' creditable service; and

WHEREAS, through the leadership of Representative Lou Lang, and with the support and assistance of the Village's State Senators and Representatives, the Illinois House of Representatives and

Senate passed and on August 13, 2004, Governor Rod Blagojevich signed Public Act 93-0933 which amended the Illinois Pension Code in the following respects:

A. Amended Section 7-137 of the Pension Code to exclude from IMRF participation (i) any person who is actively employed by a municipality on its effective date of participation in the fund, if that municipality has at least thirty-five (35) employees on its effective date of participation; (ii) is located in a county with at least two million inhabitants; and (iii) maintains an independent defined benefit plan for the benefit of its eligible employees, unless the person files with the Board within ninety (90) days after the municipality's effective date of participation an irrevocable election to participate; and

B. Amended Section 7-139 to provide that a municipality (i) that has at least thirty-five (35) employees; (ii) is located in a county with at least two million inhabitants; and (iii) maintains an independent defined benefit pension plan for the benefit of its eligible employees may restrict creditable service in whole or in part for the periods of prior service with the employer if the governing body of the municipality adopts an irrevocable resolution to restrict that creditable service and files a resolution with the Board before the municipality's effective date of participation; and

WHEREAS, the effect of Public Act 93-933 and the above described amendments is to afford the Village of Morton Grove the opportunity to participate in the Illinois Municipal Retirement Fund for non-sworn employees hired after December 31, 2004, and provide an option for current employees to make an irrevocable election to participate in IMRF, with the understanding that if they chose not to participate in IMRF, they would remain in and retain all of their current benefits in the Village's current pension plan; and allows the Village of Morton Grove to restrict IMRF creditable service in whole or in part for periods of prior service with the Village of Morton Grove, including the restriction of IMRF creditable service from employment with the Village of Morton Grove prior to January 1, 2005; and

WHEREAS, the Village intends by separate Resolution to restrict IMRF creditable service from employment with the Village of Morton Grove to service rendered or accrued after December 31, 2004, and

WHEREAS, the Village intends, by separate Ordinance, to amend its current General Employee Retirement Plan, to afford employees of the Village as of December 31, 2004, the option to remain within its current pension plan, or to elect to participate in IMRF, with the understanding no employee shall be entitled to actively participate in both IMRF and the Village's current pension plan at the same time; and

WHEREAS, Article 7 of the Illinois Pension Code provides that a unit of government may elect to participate in the Illinois Municipal Retirement Fund by the adoption of a resolution or ordinance of its governing body, with participation to begin following the receipt by the Board of Trustees of the Fund of official notice of the election by the unit of government and on a date specified by the IMRF Board.

NOW, THEREFORE BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF MORTON GROVE, COOK COUNTY, ILLINOIS AS FOLLOWS:

SECTION 1: The Corporate Authorities do hereby incorporate the foregoing WHEREAS clauses into this Ordinance as though fully set forth therein thereby making the findings as hereinabove set forth.

It serves as the budget for the metropolitan transportation planning process and directs the day-to-day work of the MPO. The document describes all transportation planning activities with a corresponding budget Tri County proposes to undertake during the fiscal year (July1 through June 30).
- Staff is in the beginning stages of developing the draft FY 2024 UPWP and has submitted the draft Uniform Budget Template (UBT) and Programmatic Risk Assessment (PRA) to IDOT. The following remainder of the UPWP schedule listed in the memo in your packet:
  - Feb. 21: Staff presents draft UPWP to Technical Committee.
  - March 6: Staff presents draft UPWP to Commission.
  - March 20: Technical Committee recommends UPWP to Commission for approval.
  - April 3: Commission approves final UPWP & staff submits document to IDOT.
  - July 1: IDOT accepts UPWP, work begins.

c. Discussion of the FY 2025-28 Transportation Improvement Program

Michael Bruner updated on the following:

- As an MPO, Tri-County is federally required to develop and maintain the Transportation Improvement Program (TIP), which is a short-term plan that identifies all federally funded and regionally significant transportation projects programmed for state and local jurisdictions for the next four fiscal years (FY 2025-28).
- Tri-County updates the TIP on an annual basis in coordination with IDOT and local jurisdictions. The TIP includes roadway, non-motorized, and transit projects. All projects must be consistent with the region's LRTP. The TIP must be fiscally constrained, meaning projects are not included on the active project lists without a funding source. Projects that are regionally significant, reflect local jurisdiction priorities, and would be included in the TIP if reasonable funding sources were available are included in the Illustrative Project List.
- Staff will be reaching out in the next couple of weeks to get status updates on your jurisdiction's current projects and to see if there are any additional projects that should be added to the FY 2025-25 TIP.

d. Discussion on Statewide Planning & Research Funds NOFO

- Michael updated this is the annual funding program.
  - The SPR application was released late last week and is open until April 14, 2024. An informational webinar will be held on March 13, 2024. Tri-County is planning on submitting a regional grant application to update Peoria, Tazewell, and Woodford county's comprehensive plans, along with the City of Pekin's comprehensive plan and two multi-modal subarea plans for IL-29.

- Eric Miller added this is not limited to MPO's. If you need assistance, please notify us.
- Don White asked what NOFO is, and Michael Bruner said Notice of Funding Opportunity

10. Updates

Chris Schmidt said the state received $149M for electric transportation to put in infrastructure. You can sign up on the website under NOFO.

Good afternoon, Mandy,

Thank you for looking into that for us. I don't believe we ended up receiving a packet in the mail, so if you have digital copies of the forms that we need, could you forward them to me? The signed resolution and board minutes are attached, please let me know if you need us to send paper copies in the mail and we'll get that sent out. Thank you for your help!

Good morning, Mandy,

Last week our board approved a resolution for Tri-County Regional Planning Commission to join IMRF. How do we go about submitting this to IMRF, and what else do we need to do to get the process started for joining IMRF? We are hoping to join at the start of our new fiscal year, which will be 07/01/2024. Are there any additional resolutions that need to be passed or any additional paperwork that need to be completed?

Michael Bruner updated on the following:

i. At the MPO Technical Committee meeting on March 20, 2024, the Committee recommended that the Commission approve Resolution 24-47. FY 2025 Joint Funding Agreement. The MPO's PL marks for FY 2025 are $974,535.02, which requires a non-federal match of $243,633.76. For FY 2025, the Commission will be utilizing the State metropolitan Planning Funds for the non-federal match. Therefore, the FY 2025 membership dues will be utilized as local dollars and programmed by this body (Commission) in a separate work program. Some examples of previous years' users are matching grants, such as the Safe streets and Roads for All (SS4A) and last year's Statewide Planning and Research (SPR) grant.

For determining each jurisdiction membership fee, each agency's Calendar Year 2023 MFT allotment is summed to gather the total MFT allotment. That percentage is used in determining their required contribution for the FY 2025 membership fee.

The Technical Committee requested the presentation of the draft application at their March 20, 2024, meeting. Motion to pay bills made by Kurt seconded by Randy. All in favor, M/C.

Pool Manager Report: Shawn will work with JJ Carter to begin the process of obtaining lifeguards for the upcoming pool season.

Soccer Committee: Randy reported that John Stewart and Janice are helping with soccer. Signups are currently going on. Randy has some interest from some kids for referring, but intends on contacting the school to see if he can get any additional refs. There's no word on scheduling yet. Last year there was a conflict with summer baseball league. Unfortunately, there's little control over that. The Okaw League keeps moving the league up.

Brad O Clen: JJ was unable to attend, therefore no discussion could take place without the bids.

IMRF: Erica has finalized the paperwork for IMRF. Dan made a motion to approve IMRF for JJ, Kurt seconded. All in favor, M/C.

  Randy moves to accept the presented fee schedule as presented with an effective date of March 1st, seconded by Kurt. All in favor, M/C.

New Business:

General Subject Matter:

- President Likens presented a letter from the post prom committee asking for a donation. They took no action.
- President Likens presented a letter from Larry Schlabaugh asking for permission to place a steel casing for the fireworks display on park property in order to better present the fireball display. This would be a temporary structure put in place just for the purpose of the fireworks and moved immediately following. There was no concern, all were in favor.
- President Likens brought up the oil and chip from the pool to the bathrooms. He has been in contact with the fair board, school superintendent, and school board president and there appears to be an agreement that the three organizations – park, fair, and school – will split the project three ways. We are waiting for final approval from the school board. Last years quote was $17,500.

Lisa,

Enclosed is IMRF form 1.50 "An Ordinance Electing Participation in the Illinois Municipal Retirement Fund". It was approved by our MTAD board and I am sending it to you per our earlier conversations. We will wait to send you the additional forms (Form 2.20 "Notice of Appointment of Authorized Agent" and Form 3.00 "IMRF Electronic Funds Transfer (EFT) Enrollment Form", etc.) until late into next year as we get closer to the January 1, 2018 date for the new MTAD. This is in part because we may have a few different officials/secretaries after the April 2017 township elections and we also do not have a bank account for the new entity as of yet. If you have any questions don't hesitate to call or email me.

Thank You,

Rex Barnes

Hi,
Ask him if his board can take action that will legally bind the entity? If so, they can adopt the resolution/ordinance. If no, then they have to wait until they can.

Hi Kathy-
This employer is the one who said "as a board they can legally meet, but are not formed yet".
Is it too early for them to file the 1.50 "An Ordinance Electing Participation", and to appoint the AA, etc?
Please see below.
I told him I would check with you then get back in touch with him next week.

Thank you-

Lisa,

I received the cost study regarding the cost for the upcoming MTAD (Multi Township Area District) to join the IMRF. Thank you. We have a meeting next week and I am pulling together the information I need to present to the board. The board approved participation in IMRF by a voice vote at our last meeting, however, I realize you need your form 1.50 "An Ordinance Electing Participation in the Illinois Municipal Retirement Fund", as well as forms 2.20 and 3.0 completed and returned to you before it is official on your end.

Since we will not be an official entity until January 1, 2018, should we wait to complete these forms until summer or Fall of next year? Or should we at least complete form 1.50 and the other forms later? Both of our secretaries may be leaving by January 2018 so I didn't want to put the wrong names on the "Authorized Agent" etc. forms .

On the other hand, to ensure our participation and bring some closure to this issue, should we go ahead and fill them all out and just change the authorized agent, etc. when the time comes? Sorry if I am confusing things.... I will be so glad when this new MTAD is up and running smoothly.

Rex

Good Morning –

The ordinance was done in May, 2023 for this prospective employer.

The cost study was not done until July, 2023.

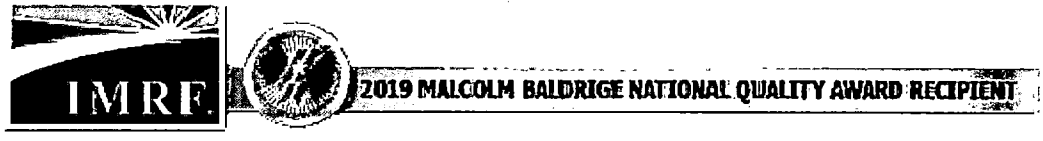

I believe they need to have a new ordinance after the date of cost study – I asked for this, and need to confirm with legal.

Do you agree?

Hi Christine,

So sorry, I don't how I missed your email yesterday.
I am pretty sure they need to approve participation after they receive the cost study. For instrumentalities, for example, in the enrollment procedures it says that the resolution cannot be adopted until after the receipt of the actuarial cost study. In the enrollment procedures for County Road Districts this information is not specified. It would be better if we will verify with Legal.
Thank you!
